

"AMNESIA TOO"

Gary, a technician with Allegheny Power, has been ballooning for 22 years and has logged over 660 hours of air time. He says, "my wife claims that when we go flying I forget about everything but flying," hence the name "Amnesia" which is a multicolored chevron pattern. He says he has too many wonderful ballooning moments to pick just one. He was on the '03 Pro Football Hall of Fame Balloon Festival Championship Team.
