Ken, who is the owner of Kus Builders, has been enjoying piloting balloons for 7 years and has flown over 230 hours. He is a member of NOBPA, BFA and NABA. He says, "my wife and I named the balloon after the song "Diamond Girl" by Seals & Crofts." The balloon is red, white and blue. He was NOBPA's 2000 Rookie of the Year and NOBPA's Club Champion in 2003. Flying 190 miles in 4 hours across Ohio is his most memorable feat to date.
