“SHARED MAGIC”

SPONSORED BY: THURSTON FAMILY

Bill, who has been attending the Thurston Classic for the past 12 years with his wife Kathy, decided it was his year to fly their "Shared Magic" balloon. Bill has been ballooning for 22 years and has 400+ hours under his belt. He is past board member of NOBPA, and a member of the Balloon Society of Kentucky. He explains he and Kathy love the sport of ballooning and "Share" the "Magic" of the sport. The balloon has a yellow top, blue, hot pink diagonal center and dark blue with stars on the bottom.
