Terry, has logged over 500 hours of flight time in his 25+ years of ballooning and this will be the 7th Thurston Classic he has participated in. Free Spirit IV is a red, yellow and orange balloon with green scallops... very easy to spot in the skies. He is a member of NOBPA, where he serves as president. He fondly remembers winning the 2002 Thurston Classic and the key grab win at BFA Nationals in Indianoca, Iowa.
